DETAILED ACTION

Response to Amendment

1. This is a sixth office action in response to applicant's request for continued examination filed, 27 October 2005, of application filed, with the above serial number, on 23 May 2000 in which Figure 4 and a formal Figure 30 has been submitted. Claims 1, 5-7, 15, 19-21, and 43-46 are therefore pending in the application. No new matter has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephen Roche on 06 September 2005.

The application has been amended as follows:

Please amend Claim 43 line 19 by deleting after the semicolon and deleting line 20. Further amend after the word 'selection': ", said access server software located on a computer-readable software storage medium operational to store the access server software."

Art Unit: 2157

3. The following is an examiner's statement of reasons for allowance: Applicants arguments are persuasive. The prior art of record fails to teach or suggest individually or in combination the claimed limitations as in claims 1, 5-7, 15, 19-21, and 43-46. Hayes, as well as the prior art of record, do not teach a command string translated from an alias for execution.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory G. Todd whose telephone number is (571)272-4011. The examiner can normally be reached on Monday - Friday 9:00am-6:00pm w/ first Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ario Etienne can be reached on (571)272-4001. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
